14th July 2021.

Dear Parent/Guardian,

In these unprecedented times, we all had to face many challenges in various forms. The Academy understands that aside from battling unanswered questions, misinformation and social anxieties pertaining to Covid-19, we are all striving to make the best of what we have.

Over the past couple of days, we deliberated over the direction we should take in the upcoming term to ensure that you do not have the added worry for the safety of your child/children. We have taken the decision to remain **fully online** for the term **September 2021 to December 2021**.

This will not only help to safeguard the future of our nation but you, our parent/guardian, and all staff members of the Academy. We will revisit this decision **before** the **beginning of the second term** and inform you of our Plan of Action.

We thank you in advance for your cooperation and please do not hesitate to reach out to us if you require additional information.

Respectfully,
Administrative Office
